CLERK: Mr. President, we have a motion to place LB...to pass LB 13 into law notwithstanding the objection of the Governor. Signed, Senator Schmit.

PRESIDENT: The chair recognizes Senator Schmit.

SENATOR SCHMIT: Mr. President, members of the Legislature, I make this motion in all seriousness. I make the motion because I feel that this body acted responsibly when they passed LB 13 and 13A last week. I believe that this body considered all the possibilities, all the alternatives, and acted responsibly and effectively. I'm not going to argue with the administration over the expenditure of funds. I am not going to answer in detail the various charges that have been leveled at this body, but I want to make one point clear and that is that the majority of the members of the Budget Committee supported this bill on the floor of the Legislature. I would hope that several members of this body would speak on this motion to override. These bills have been discussed thoroughly in the past and I would not take any more of your time at this time. I would reserve my remarks for a closing.

PRESIDENT: Is there any further...any further discussion of the motion? Senator Whitney.

SENATOR WHITNEY: Mr. President, and members of the Legislature, I feel that this legislative body does not need to override the Governor's veto in this case. Will you turn me up a little, please. I feel that this legislative body does not need to override the Governor's veto in this case. If the Budget Committee has not added these people in the Budget program, then Senator Schmit can come to this legislative body
